AVAILABILITY:

Volunteers are an important part of the Guardian Angels Senior Services team! It is important for potential volunteers to take a moment to think about working with the senior population in a Skilled Nursing Facility. Dependability and consistency is an essential part of volunteering and your commitment is very important.

A minimum volunteer commitment of two visits per month is required.

Volunteer applicants will be interviewed for open volunteer positions that meet the needs of Guardian Angels residents and/or staff and the applicants’ skills and availability. We want to make sure your volunteer placement is rewarding for you as well as our residents. Training is provided to make each volunteer comfortable and excited to be a Guardian Angels volunteer.
