CLASS DESCRIPTIONS

Aquafit: This low-impact, shallow water class promotes stability, joint flexibility, and range of motion while building cardiovascular endurance and muscular strength.

Beginners Tai Chi: This class is 45-minute in length and teaches the basics of Tai Chi by following an easy-to-learn teaching system. Learn 8 single Tai Chi forms while improving your balance and core strength. Includes seated and standing movements and exercises.

Joyful Beats - Seated Cardio Drumming: A fun, rhythmic seated drumming class using stability balls as drums. A unique sensory/motor program designed to give the mind and body instant feedback. This aerobic exercise can also increase the neurological connection between the two brain hemispheres. It is a workout for the mind, body, and spirit and can be modified for any fitness level.

Line Dancing: Move and groove to a variety of music, basic footwork and fun choreography while dancing your way to better health! You'll boost your brain power by improving your memory skills, strengthen your bones without hurting your joints, develop better balance to help prevent falls and release stress so you feel great.

Low-Impact Cardio: Exercise to a variety of music, with basic footwork and fun choreography, you will be moving your way to better health! You'll boost your brain power by improving your memory skills, strengthen your bones without hurting your joints, develop better balance to help prevent falls and release stress so you feel great.

Open Pickleball: Whether you've never played Pickleball before, or you're a pro, this time is designated for you! Learn pickleball rules, terminology, primary skills, and more. These open sessions help develop technique and strategy for social play. Plus, we provide paddles and balls - so come learn and get to know other new players at our new facility!

SilverSneakers® Classic: Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance, and a chair is used for seated and/or standing support.

Supervised Pool: Designated time for individuals to use the pool without a buddy. Do your own thing, walk, float, sit or swim! We do not have a lifeguard on duty, but will make sure the pool is supervised at this designated time.
